

A & A LAW CHAMBERS PORTFOLIO

VISION & MISSION

We envision a future where every client—be it a startup innovator, industrial powerhouse —overcomes legal obstacles with seamless precision, fostering prosperity across different forums within the state of Odisha and the country. Our vision is to create a legal ecosystem that is agile, multidisciplinary, and future-oriented, capable of addressing both traditional and emerging legal challenges with equal precision. By combining deep legal acumen, practical advisory insight, and fearless courtroom advocacy, we aim to make the law accessible, responsive, and impactful for individuals, businesses, and institutions alike.

A & A Law Chambers is dedicated to providing expert guidance in diverse areas of practice upholding workplace justice. We achieve this through practical strategies, deep legal knowledge, and a client-first approach that delivers efficient and affordable results. Our commitment is towards integrity in every case and innovation in every solution. We envision a firm that transcends conventional practice—serving not merely as legal representatives, but as strategic partners, problem-solvers, and guardians of justice across every field of law.

We aspire to practice law not as a static profession, but as a living, evolving discipline—one that adapts to societal change, technological advancement, and global realities, while remaining firmly rooted in ethics, constitutional values, and the rule of law.

LITIGATION PHILOSOPHY

The firm's legal practice is rooted in principled advocacy, meticulous research, and strategic litigation. The firm approaches towards each matter with intellectual rigour, clarity of purpose, and a commitment to securing favourable outcomes through lawful and ethical means. The courtroom presence is marked by measured argumentation, persuasive drafting, and an acute sensitivity to judicial expectations.

We are known for the client-first ethos, consistently offering candid counsel, actionable insights, and a tailored litigation roadmap. The ability to identify and articulate the crux of legal disputes makes us an effective representative before judicial and quasi-judicial forums alike.

AREAS OF SPECIALIZATION

- **Administrative & Public Law**

Proficient in invoking the extraordinary jurisdiction of the High Court under Articles 226 and 227, with a focus on public law remedies, administrative overreach, and enforcement of fundamental rights.

- **Banking, Finance & Insolvency Law**

We act for borrowers, lenders, and financial institutions in matters relating to banking disputes, loan restructuring, SARFAESI proceedings, debt recovery, and insolvency resolution under the Insolvency and Bankruptcy Code, 2016, including representation before DRTs, NCLTs, and appellate forums.

- **Mining Laws**

Our Mining Law practice provides comprehensive legal support across the entire mining value chain, covering exploration, extraction, regulation, compliance, and dispute resolution. We advise mining companies, leaseholders, contractors, and stakeholders on navigating the complex legal and regulatory framework governing mineral resources.

- **Taxation Law**

Our taxation practice covers advisory and litigation relating to direct taxes, indirect taxes including GST, customs, and excise, as well as tax assessments, appeals, and compliance matters.

- **Tender & Public Procurement Law**

Thorough command over the legal nuances governing public tenders, procurement disputes, contractual obligations, pre-bid disqualifications, blacklisting, and compliance with statutory tendering procedures.

- **Alternative Dispute Resolution**

Skilled in institutional and ad-hoc arbitration proceedings, including appointment of arbitrators, interim reliefs under Section 9, and enforcement of arbitral awards under the Arbitration and Conciliation Act, 1996.

- **Debt Recovery & Financial Disputes (DRT)**

Robust experience in appearing before the Debt Recovery Tribunal and Appellate Tribunal, representing banks, NBFCs, and borrowers in matters concerning loan defaults, SARFAESI actions, and restructuring disputes.

- **Company & Commercial Law**

Advises on legal issues involving company incorporation, shareholder agreements, board governance, corporate restructuring, regulatory compliance, and commercial litigation under the Companies Act, 2013. Our services also includes drafting, reviewing, and negotiating commercial contracts, shareholder agreements, and transactional documentation.

- **Family & Matrimonial Law**

Handles delicate and often emotionally charged family matters with legal finesse, covering divorce petitions, guardianship, maintenance, domestic violence litigation under personal laws.

- **Service Law & Employment Matters**

Represents clients in service-related litigation involving wrongful termination, promotions, disciplinary inquiries, pension benefits, and matters under Article 311 of the Constitution and applicable service rules.

- **Labour & Employment Law**

We assist employers and employees in employment contracts, workplace policies, disciplinary proceedings, labour litigation, industrial disputes, and statutory compliance, including matters under POSH and labour welfare legislations.

- **Real Estate, Infrastructure & Land Laws**

We provide legal support in property transactions, title due diligence, development agreements, land acquisition and compensation matters, infrastructure and highway projects, and disputes before RERA and civil courts.

- **Environmental & Energy Law**

We provide legal services related to environmental clearances, sustainability compliance, pollution control regulations, renewable energy projects, mining, and natural resource management.

- **Electricity Laws**

Our Electricity Law practice provides comprehensive legal services across the power and energy sector, advising stakeholders involved in generation, transmission, distribution, and consumption of electricity. We assist power producers, distribution companies, traders, regulators, industries, and consumers in navigating the complex statutory and regulatory framework governing the electricity sector.
